Application for Access to a Licensed Dataset

*Fields marked with * are mandatory.*

The information provided on this page will be kept confidential and will be used for internal purposes only.

First Name	Elisa
Last Name	Rothenbuhler
Organization	World Bank
Email	erothenbuhler@worldbank.org
Dataset requested:	RWA_2010_HRBF_V02_M - Rwanda Community Performance-Based Financing for Health Impact Evaluation Survey (2010 Round 1) 2010

This form must be filled and submitted by the Lead Researcher. Lead Researcher refers to the person who serves as the main point of contact for all communications involving this agreement. Access to licensed datasets will only be granted when the Lead Researcher is an employee of a legally registered receiving agency (university, company, research centre, national or international organization, etc.) on behalf of which access to the data is requested. The Lead Researcher assumes all responsibility for compliance with all terms of this Data Access Agreement by employees of the receiving organization.

This request will be reviewed by a data release committee, who may decide to approve the request, to deny access to the data, or to request additional information from the Lead Researcher. A signed copy of this request form may also be requested.

This request is submitted on behalf of:

* Receiving organization name
Receiving Organization refers to the organization/university/establishment which employs the Lead Researcher.

Organization Type
If other, specify:

If you are a government official who is part of the IE team, you can just enter “**Government official**” in the mandatory fields. To submit the request, tick the “**I have read and agree with the conditions**” box at the bottom of the page, and click the “**Submit**” button at the bottom of the page.

Once the request is submitted, the data catalog automatically sends an email to the catalog administrator. **Meanwhile, you receive a confirmation email that your request has been entered into the catalog.** The administrator then grants access to the data.

4. Downloading the data

The system then sends an automatic email indicating the request for the licensed dataset has been approved, and sends a link. Click on the link provided in the email.

Once logged in, the system automatically goes to a catalog page that looks as shown below. To download the data, click on the “Download” button on the right hand side, as shown below:

The screenshot shows a web interface for the 'RBF for Health Impact Evaluation Data Catalog'. The page title is 'Licensed Dataset Request Status'. The study title is 'Rwanda Community Performance-Based Financing for Health Impact Evaluation Survey (2010 Round 1)'. The date requested is '02/28/2012'. The status is 'Approved'. Below this, there is a 'Data Files' section with a table containing one entry: 'Household, Community Health Worker and Community Health Worker Cooperative Microeconomic Datafiles (Stata8 version)'. The filename is 'RWA_2010_HRBF_v02_M_Stata8.zip', the size is '1.73 MB', and the date is '02/28/2012 12:50'. A 'Download' button is located to the right of the table entry.

Title	Filename	Size	Date	
Household, Community Health Worker and Community Health Worker Cooperative Microeconomic Datafiles (Stata8 version)	RWA_2010_HRBF_v02_M_Stata8.zip	1.73 MB	02/28/2012 12:50	Download

You see the final status of your request here.

Click “Download” to download the microdata.

5. The data can be downloaded up to 3 times

Once the data have been downloaded, they are available on the computer hard drive.

The materials related to the survey, such as questionnaires, the IE concept note and research protocol, etc. can also be downloaded from the survey page of the data catalog.
